21 June 2018

Dear Sir/Madam

Approval: Road Work Stormwater Water Infrastructure Drainage Work
Earthworks and Sewerage Infrastructure
Property Description: L4/RP132016:PAR DRAYTON, L1/RP154215:PAR DRAYTON,
L2/RP154215:PAR DRAYTON

Thank you for your letter dated 13 June 2018 requesting that Council determine amended plans to be generally in accordance with the current Approved Plans for the abovementioned Development Approval.

It has been determined that the following plans are considered to be generally in accordance with the current Approved Plans of development approval:

1. External Water Reticulation Layout, WA03 Issue B, prepared by Kehoe Myers Consulting Engineers and dated 13.06.18.

A copy of the Approved Plans is attached to this letter.

The abovementioned Approved Plans supersede the current Approved Plans.

If you have any other questions or queries, please contact Council's Undergraduate Engineer, Lilly Paterson, on the above telephone number.

Yours faithfully

Adam Gould

Senior Engineer, Development Engineering and Plumbing Services
